Dutch courage

My new fella recently took me to Amsterdam and introduced me to a brand new sexy experience.

He arranged for a photographer, Neil, to meet me and gave me instructions on what to do on a mobile phone.

My fella told me to lift the hem of my skirt and told me what a wanton slut I was.

I followed his instructions to the letter as Neil snapped away.

Out loud, I said, "I am such a cock-loving slut," and inserted the buzzing cock into my cunt.

Neil was clearly overcome with excitement but managed to carry on snapping for the time being.

My boyfriend told me to tell the snapper that I needed to be fucked now. I did so and unzipped the hard hot head of his dick and buried it in my

mouth.

I began to shake uncontrollably as I sucked him hard and came wildly as the dick in my mouth began to pulse and tremble.

"Cum you dirty bitch, swallow that spunk!" my boyfriend

said down the phone, and I was only too happy to obey.

His balls were shaking as I sucked and wanked Neil to a fantastic climax, cupping his balls and teasing my finger into his arse as he erupted and exploded his cum all over my face and into my mouth.

Sally, Exeter.

KYLIE

We're always being told that there's way too much sugar in our diets these days, but sweet-toothed newbie Kylie doesn't seem to give a stuff about that sort of advice...

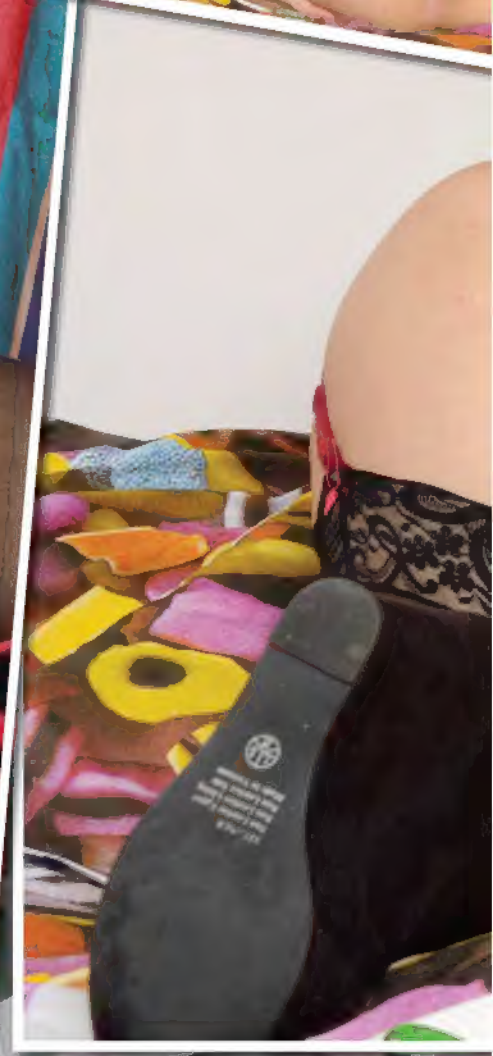

"I reckon there's no harm in having a little of what you fancy now and again!" she grins, although all of a sudden we're not sure she's talking about eating candy any more — a suspicion that only grows stringer when she peels open her inviting snatch and asks if we disagree. Umm, no, although we might struggle to stop at a little...

Traffic Jammed!

As anyone who's used the M25 on a regular basis will know, you're likely to get utterly fucked in traffic at the drop of a hat. Thankfully, though, this flick doesn't consist of frustrated motorists banging their heads against the steering wheel as they sit for hours in a 5 mile tailback, and the M25's nowhere to be seen. What we

have instead

is 5 cock-mad splashers from the Czech Republic getting a good hard boning on the back of a comfy looking motor as it makes its way round Prague. It's no nonsense fuck fun, with Lynna Nilsson the classiest offering on display thanks to her slinky outfit and stockings, but none of the girls is remotely shabby! Available from your local sex shop.

NERD INSTINCT!

When, exactly, do you think nerds became the object of sexual fantasies? When I were a lad you really didn't want to have anything to do with nerds, although of in those days nerds were all blokes who had computers in their bedrooms and liked Dungeons & Dragons, whereas these nerds are, well, sexy young girls who tend to wear glasses. I think in America nerds are more like swots - but either way, the lasses on display here hold with the 'all work and no play makes Jackie a dull girl' mantra. Cream of the crop is probably covergirl

Vanna Bardot (for fans of braces, at least), although Melody Marks runs her a close second. Six scenes of solid teeny fodder, but with added spectacles thrown in on five of them for good measure. Available from your local sex shop.

What a thrill to get home with your latest issue tucked inside my newspaper (I hope you paid for it! – Julia) to peruse the pictures of newbie Ria! And I wasn't disappointed – she's an incredible looker who left nothing to the imagination. The centrespread, with her flawless bum just begging to be serviced by an eager tongue or cock is something I'll treasure for a long time to come!

A Ria-l Treat!

I've always had a thing for girls of Asian heritage, ever since I went out with one about 20 years ago. Nina was actually married at the time, but her husband was often away, and I can still remember the overwhelming sense of erotic anticipation that would almost overwhelm me whenever she'd give me a call to let me know she was free for the evening. She looked pretty prim when she was out and about, but once I got her between the sheets there was nothing she wouldn't do, and I had some of the greatest sex of my life until sadly my job meant I had to move away and we reluctantly called it a day. I heard she left her husband in the end, and I envy whoever she ended up with after that!

Looking at Ria brought all those happy memories flooding back, so I hope you'll be getting her back in Escort again soon – and on a regular basis, ideally! Steve, Hastings.

Julia says: Yep, Ria's pretty sensational, isn't she? We definitely hope to be seeing (even) more of her in the future!

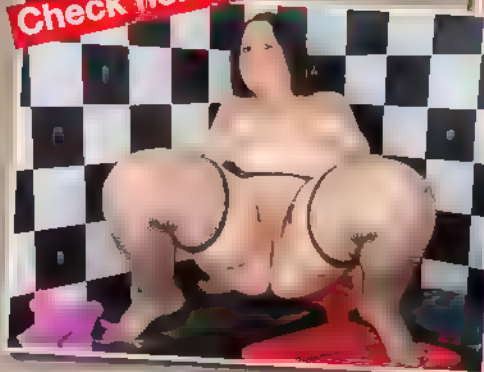

DEAR JULIA

Following on from recent letters about fuller-figured models, I had to email just to say wow – Sarah Jane in 349.04 is unbelievable! Please keep these bigger girls coming for readers like me who appreciate girls who've got something to grab hold of! Would be great to see models like Devon and Janey back in the magazine again soon, too.

Keep it up – I know I am!
Alan, via email.

Julia says: We'll see what we can do!

Check her out!

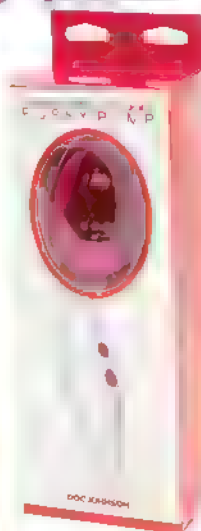

There's plenty of MILF action out there these days, which if the average of the performers in this flick is anything to go by, means women in their mid-40s.

So for the most part they're in good shape, even if they do have 20-odd years on the stuntcocks slipping them a length. They're all keen as mustard, too, with the way they slobber all over the cocks and ride them like there's no tomorrow! Available from your local sex shop.

PUMP UP THE VOLUME!

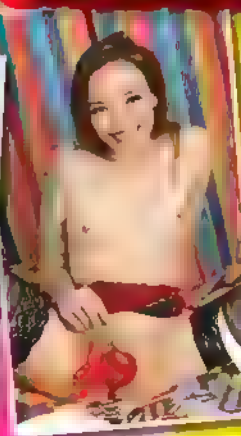

Doc Johnson Rechargeable Automatic Vibrating Pussy Pump

Pussy pumps are a bit outside the normal range of sex toys, but once you've tried one you're likely to be hooked. By fitting snugly over her ladyparts and then creating a vacuum, they draw blood to the region, resulting (temporarily) in a swollen and super-sensitive fanny and clit, which can then be fucked and sucked to your heart's content. Throw in the seven vibrating patterns and the fact that this is rechargeable via USB and you've got a pump unlike any we've seen before. Definitely worth a try if you've never given this sort of thing a go before now!

REAL WIFE SEX

Jenny does the dirty on her do man

"I poked my tongue out and licked the glistening pre-cum from his tip."

Once a month me and a couple of girlfriends go out together for a night of drinking, dancing and flirting that never goes anywhere because I've been married for three years. Well, it never went anywhere until a couple of weeks ago...

My husband Martin watched me as I got dolled up for a night out. It wasn't unusual for him to compliment me but his jaw dropped when he saw how I looked that night. He came over, grabbed me from behind, and gave me a sexy kiss on the neck. I could already feel his stiffness pressing into the small of my back. I gave his cock a gentle squeeze through his trousers, before telling him, "you can save that for later."

Out on the town, the evening got off to a flying start. The girls, Sue and Marie, were on good form, and after a couple of bars we were getting merry and in the mood for some fun at a club. After half an hour on the dancefloor, we were all knackered and in need of a drink. At the bar next to us were three gorgeous guys.

"What do you reckon?" Marie said, raising her eyebrows and grinning.

"Definitely worth a look," said Sue. "How about it Liz?" My head was buzzing, both Sue and Marie were single, and I couldn't spoil it for them. I was having a good time, and there was part of me that wanted to know if I still had 'it'. I pretended to rummage around in my handbag, slipping off my telltale rings in the process and then said, "let's do it."

The blokes bought us drinks and we sat chatting together at a table. It became

obvious that out of the three of them, Andrew was paying me the most attention so when the others went off to dance we stayed at the table and continued chatting. He was showering me with compliments and I laughed, feeling myself blushing in the gloom. I still didn't intend to cheat on Martin, I was just playing, right.

But thinking that didn't stop me from noticing how gorgeous Andrew was. My eyes kept wandering down to his crotch and over his torso, tautly muscled under his tight top. He moved closer and my breathing got shallower. I could feel my nipples sensitise and harden against the material of my bra. He leaned in to kiss me, but I turned my head, still unsure whether to go through with it. His hand brushed over my bared thigh and I moaned, feeling my stomach drop. Andrew pushed his crotch against my leg as we kissed, and I hungrily traced the line of his hard cock with my fingertips. Grabbing his hand I urged him to play with my pussy as surreptitiously as he could in the crowded club. He roughly pulled the saturated crotch of my knickers aside and put his fingers inside me, using his moistened thumb to tease my clit. I wanted desperately to feel him inside me.

We went outside, the night was warm enough and we found some bushes nearby. Andrew's cock was broad, about seven inches, and so hard there was no give in it. Stroking his foreskin back and forth, I poked my tongue out and licked the glistening pre-cum from his tip, savouring its taste as I did so, but he was eager, taking a handful

of my hair he pulled me onto his shaft, fucking my mouth with short jerks.

This was not enough for him or me for long, so I turned onto all fours, pulling my skirt up so he could see my wet thong between my puffy pussy lips. Those knickers were down in a moment, and his hardness inside me, stretching and filling me like Martin never had. As he built up a powerful rhythm, he reached a hand round and played with my clit, sending shivers of pleasure throughout my body.

Andrew leaned forward, nibbled my ear, and then whispered cheekily, "will your husband mind that I've made his wife very

dirty?"

My cunt muscles spasmed around his prick. This sent him over the edge too, and he groaned loudly as waves of hot spunk burst inside me, splashing hotly against my cervix, setting off a new series of overwhelming spasms within me.

We kissed while I cleaned myself up, trying to make myself presentable again. I looked down at my hand and noticed that my rings had left pale marks on my index finger

Back in the club I found Sue and Mane and they grinned at me, asking me if I had enjoyed the evening. On the way home pangs of guilt went through me, but I thought that, to not make Martin suspicious, I must just be normal when I got home. That shouldn't have been too difficult as I was on such a high and still buzzing hornily, feeling the moisture between my legs.

"Had a good time Lizzy?" Martin asked after opening the door to me dressed in T-shirt and boxer shorts.

"Great night, quite tired though," I replied truthfully.

He kissed me deeply, pressing himself against my already well-used mound, and to my surprise, my body responded. Two guys at once had always been a fantasy of mine, and this was as close as I would ever get.

"Take me to bed," I sighed, stroking his hardening cock through his white boxer shorts. We undressed and got under the

covers, Martin slowly kissing and licking my hard nipples, he put a hand between my legs and gasped when he felt how wet I was.

"You're so wet and silky tonight, I'm so glad I waited up for you, you dirty girl," he smirked. I gyrated my pelvis on his fingers in reply, just sighing. Martin kissed lower and lower before I realised what he was doing, I wondered if I should try and stop him. Too late, his tongue gently circled my clit, and I groaned, unable to prevent the pleasure the perverse situation and his attention to my juicy pussy was causing in my body. His tongue lapped lower, exploring my vulva, before diving deep into my soiled cunt.

"You taste so dirty, lucky I was here to clean you up," Martin murmured. It was all too much. I came, puffing his face hard into my pussy. I like Martin to come on my face and tits. It wasn't long before he obliged me coming in more quantity than I had ever seen him come before, on my tits, neck and belly. I rubbed his silky mess into my skin, and thanked him for a great time.

I still feel guilty, but I had the best sex I'd ever had that night, and I can't rule out a repeat performance in the future.

02. SARA

First contact

Sara loves the taste of a woman's cunt almost as much as a man's spunk. When we met Bob and Sue in the Cap d'Agde it was obvious her appetite was not going to go unquenched.

Sue is a big girl with amazing tits while Bob has the ability to control his cock and spunk flow as if by remote control! They're quite a pair! Clubs in France specialise in setting the right

atmosphere but Bob is pretty good at it too.

In club The Villa, once he had got to grips with Sara her cunt was squelching.

Sue wanted a taste of Sara's juices before they were mixed with spunk.

Sue spread Sara's legs to lick her swollen cunt on the soft leather seating and she exposed her own cunt as she bent over.

It was too much for me to resist and without hesitation I forced my cock inside her.

Bob's fingers and Sue's tongue teased my wife's cunt.

A crowd quickly gathered to watch and wank and Sara behaved the perfect slut, opening her arsehole for Bob to fuck.

The great thing about Sara when she has a cock in her arse is that her cunt gushes an unbelievable amount of juice.

Who should be on the receiving end but lucky Sue.

She gulped down as much pussy juice as she could as it dripped down on to her mouth.

Not content with my cock in her cunt, Sue squirmed her body over Sara's face, who alternated between sucking my balls and tonguing her cunt.

The girls were up for more cocks and there was no shortage of partic pants who fucked those two horny bitches long into the night.

By the end they were drenched in spunk and truly satisfied.

We rolled into bed that night late but by 7am those cunts were up for more

Cameras aren't allowed in the club, so I took these pics later

Amber & Georgie

It's fair to say there's been a good bit of rivalry over the years between the auld enemies, stretching back into the mists of time beyond Braveheart, Bonnie Prince Charlie and the Krankies, but here at Escort we're all in favour of closer relations between England and Scotland, and to prove the point here are Amber Jane and Georgie Lyall showing us just how beneficial an act of union can be — especially when it's an act of union between two fanny-mad strumpets!

What better way to spend a sunny afternoon than down on the farm with mega-boobed Marie, although there wasn't much work getting done as she made herself comfortable on some bales of hay and got those fantastic norks out...

"I love the feeling of the sun on my boobs!" she admitted as she kept interrupting the shoot to do a bit of basking. "It makes me nipples feel all tingly and that in turn makes me feel incredibly horny! I'm going to have to rub one out now, if that's OK with you?"

Fine by us! We'll just get on with doing a little muckspreading.

Petite Darcy's dress might suggest Rupert Bear to some older readers, but there's no doubting what ideas she puts in everyone's mind with her nubile 20 year old body!

"I'd certainly hope so! The idea of all your readers getting nice stiff pricks while looking at my pictures is so exciting – I can't think of a finer compliment than them wanting to wank off all over me! I'll definitely be doing the same thinking about randy guys all over the land tugging over my pix!"
So there you go – don't hold back!

Reina

Reina first got the idea of posing for Escort after her ex-boyfriend had taken some mucky pix of her and shown her the results.

"He wasn't much of a photographer or anything – they were just taken on his phone, but I thought the results were pretty good! Even I got turned-on by looking at pictures of myself, so I figured other people might be as well! Then my boyfriend came overall jealous and said he didn't want other people to see me and, well... I'd been thinking about dumping him anyway, so that was my excuse!"

Holiday Ho-mance

Sunshine and cocktails turn me on, so I recently spent a week in the sun.

I got a bit of chat off blokes while island exploring but I was only really interested in this nice chap who offered to walk me back to my hotel one night.

He was acting like a real gentleman, not trying anything on, so as we were walking through an alleyway I leaned back against a wall like I was tired. He stopped to check I was alright and

I just slid my arms around his neck and pulled him into a snog.

"Fuck," he gasped, when we came up for air. "Thought you'd never ask," I joked.

He laid me down on the ground and pulled up my bikini bottom, giving my trim slit a quick stroke.

He got on top of me, splaying my thighs with strong hands.

I put my legs behind his back as he sucked my

tits and his stomach rubbed against my juicy fanny.

Next thing I knew, he had rocked back and was strumming my clitoris. Five minutes of this and then my cunt was clenched around his fuckstick, orgasms rippling through my groin.

He pulled out and asked me to roll over. I went to put myself in the doggy position, but he told me to stay on my stomach.

He got in between my thighs, and he rubbed his crotch against my arse cheeks, until my warmed-up arse parted.

He filled my bumhole slowly and fucked me slowly, then as he came closer to cumming he rammed in deep, squeezing my globes with every thrust.

His body arched up before his hot cum flooded my arse.

"My name's Paul," he said, but already I was thinking how tomorrow I was going to go out and fuck somebody else.

One day that someone may be you!
